

	<p>time did not feel it was economically viable to provide refurbishment of the building to the current design.</p> <p>It is also noted that although the decision of the council is currently to knock down and rebuild this can be revisited. There was a question from a member of the public regarding how much money was available for the pavilion. RFO will chase the Surveyor.</p> <p><u>3.6 Working Group composition</u> Discussion and agreement of the composition of the working group is to be deferred.</p> <p><u>3.7 Pavilion Committee/Constitution</u> Discussion and agreement of the composition off the pavilion committee together with any necessary revisions to the constitution is deferred.</p>	BI
4	<p><b>Cemetery Drive way Repairs</b></p> <p><u>4.1 Consideration of quotations for the repairs and resurfacing of the driveway etc.</u> Clerk had provided in depth details of works to the driveway to the Lodge and the Cemetery driveway itself. Full discussion followed. Council noted that the costs of tarmacking – v – spray shingle were not much higher and that tarmacking would provide a longer term solution.</p> <p>Chairman of Finance reminded Council that the precept had not been paid in full by SCDC and in the current situation Council was not certain of the funding. Council noted a suggestion that in the longer term it may wish to provide service to the Chapels and make use of the buildings.</p> <p>Council agreed preferred specification/tender C but to put on hold until finances were available.</p> <p>Council then discussed the access to the Cemetery Lodge and its wish to ensure resident was provided with an acceptable standard of access. Quotations for these areas only to be obtained.</p>	VT
